

HALLOWEEN CLUB'S 7TH ANNUAL SPOOK SHOW FESTIVAL APRIL 6 CELEBRATES HALLOWEEN IN SPRING AND SUPPORTS LOCAL BUSINESSES

La Mirada – April 6th, 2019 – Spook Show is an annual Halloween festival that features over 100 curated local vendors, artists, collectors, teachers, spook makers, hauntrepreneurs and musicians for like-minded Halloween enthusiasts.

Coming on its 7th annual celebration, Spook Show started with a simple mission: facilitate an outdoor-gathering where local Southern Californian businesses and fellow enthusiasts may come share their penchant for the macabre and support the local community. Halloween is a beloved holiday for many, and maybe our seasonal tastes are a bit out of the ordinary, but there's nothing wrong with indulging yourself and fulfilling your inner scream queen or horror fanatic by shopping small at businesses like Halloween Club. You may find some fantastic treasures, and you'll also be doing some good impact on our community.

Event producer, Dora Alfaro states: "20th century Spook Shows were traditionally events that consisted of seances, magic shows and monsters, but Halloween Club's Spook Shows are a friendlier take on all that. For our 7th year we're incorporating and reenvisioning some historical elements as well as some added surprises to make our spring festival a little spookier and more entertaining than prior years." Halloween Club is proud to host an in-store panel and presentation from real-life spook show ghost masters David Lucarelli and Robert Reynoso. Join us in learning more about the art starting at 4:30pm inside the Halloween Club warehouse.

The 7th annual festival is expected to bring in even more bodies as the event continues to grow due to the grassroots approach practiced by Halloween Club and love from the local spooky community. Halloween enthusiasts can also celebrate the holiday everyday at their local Halloween Club costume superstore retail location.
